To: University of Kansas Medical Center Police Department

From: Lodge 37, Kansas Fraternal Order of Police

Subject: Addendum to Memorandum of Agreement (MOA) between the University of Kansas Medical Center and Lodge #37, Kansas Fraternal Order of Police - Article 38, Section 8: "Regular Shift Assignments"

The Lodge and the Medical Center agree to temporarily amend the current MOA, outlining the bidding process for regular shift assignments.

Currently, the MOA states "For the period between January 1 - December 31 each odd number year, bidding will be governed by annual performance evaluation score."

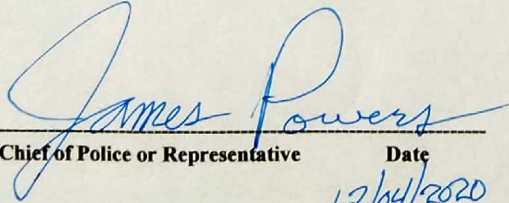

The Lodge and the Medical Center agree that there is a need for an addendum to the annual bidding process for upcoming 2021 (odd) year. Therefore, the bidding process for the 2021 shift bid will be governed by seniority, and not by evaluation scores.

No other component of Article 38, Section 8 shall be altered, other than the aforementioned amendment.

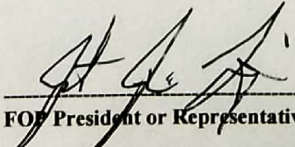

This addendum will only serve odd year 2021. The bidding process will return to the existing agreement for bidding year 2022 (seniority).
